Note about Men's 10K race

Several runners skipped a small loop on the course and failed to run the whole course.

Their times are given as recorded and the places are shown in the order that they finished but those racers with a ** by their name were technically disqualified for not running the whole 10K course.

We only checked with the top 30 or so finishers and only 5 male racers were found to have not done the whole 10K course.
